

CLASS OF 1968

Malvern Community High School

HOMECOMING 2008

August 21, 2008

Hello to everyone.

Our 40th Class Reunion! I used to think when other people were celebrating 40-50 year reunions; that was a long ways down the road; well, here we are! Our class reunion will be held during Malvern's (East Mills) Homecoming weekend on Friday, September 19th, 2008.

The annual parade starts at 1:30 p.m. Let's meet at 1:00 p.m. at the south end of Main Street; Goy Oil, Dinklage Oil or I guess it's now Agriland FS. We'll plan on a ride for everyone who's able to climb into the back of a truck!

The football game will be at 7:30 p.m. against South Page. For those wishing to attend the game, we'll stake out a place in the bleachers for the Class of '68 and meet you there. We'll hope for good weather and please feel free to wear your Malvern Panther apparel.

On Saturday evening, the 20th, we will have our reunion dinner at the Country Club (golf course club house) in Malvern. We will gather at 6:00 p.m. and plan to eat at 6:30 p.m. Our dinner choice is New York Strip, a butterfly pork chop, or fresh salmon (direct from the new Mulholland grocery) along with dinner salad, baked potato, dinner rolls, and coffee and ice tea. Crackers and cheese along with "munchies" will also be served. Maybe I can come up with a simple dessert. (I did receive the Crisco Award in Home Ec forty years ago; or maybe the Betty Crocker Award recipient "Dixie" would like to share the honors.) To add to the evening, please bring any pictures or other Oriole/Panther nostalgia you might like to share.

On Saturday and Sunday, Malvern is having an En Plein Air celebration (similar to a mini art festival including live music and bands along with a beer garden in the park). There will be several things going on and I've enclosed a poster showing the schedule of events. Malvern has been blessed with some new businesses along Main Street which have helped to give Malvern a little burst of energy. Also, you won't want to miss the beautiful new addition to the Malvern Library. There's always time for golf, and if interested, a tour through the schools might be fun, but we would need to make arrangements and set a definite time.

I look forward to seeing and hearing from everyone. If you know of someone who was originally in our class but moved on or whatever, they are certainly welcome to attend. That goes for teachers as well. Just let me know. If you can't make the reunion this year, we still want to hear from you. See you soon.
